Reference: VCO-717/19 Dated: 08.03.2019

Sir,

With reference to subject above noted, with due respect we would like to say that all the students of B.Ed. 1st year (Session 2018-20) and 2nd year (Session 2017-19) were in the different schools for Internship Programme and Observation Lesson in the month of February, 2019. The seven Government schools were allotted by the District Education Officer, Madhepura in different areas. Due to the confusion regarding uploading the photographs & attendance sheet on the B.Ed. post app in the month of February, 2019 the mistake has been taken place and we failed to upload the necessary documents on the B.Ed. post app. After the launch of B.Ed. post app we have uploaded all the necessary documents properly without any delay. But by mistake the documents have not uploaded in the month of February, 2019. We feel guilty for this mistake and we assure you that it will not be repeated in future.

We, therefore, request you to kindly consider our application and give us a chance to not commit this type of mistake repeated in future.
